ON BEHALF OF THE CZECH PIRATE PARTY, IVAN BARTOŠ, THE PRESIDENT OF THE CZECH PIRATE PARTY, GREETES ALL WHO MAY READ THIS LETTER OR HEAR IT WHEN READ.

Dear Bulgarian Pirates!

We are delighted to hear the message of yours that the Bulgarian Pirate Party is to become legally instituted as a political party pursuant to the law of your country and we send you our sincere congratulations.

We strongly believe that the Bulgarian Pirate Party shall remain faithful to the principles from which the pirate movement emerged, such as the understanding of the need to fundamentally reform of copyright and patents, making the state machinery transparent, and promoting the civil liberties guaranteed by the European Convention.
